TO:

HR Manager,

As a 4th-year B.Tech Computer Science Engineering student, I am thrilled about the opportunity to apply for a position at your esteemed company. With a strong foundation in software development and problem-solving, I am confident that my skills and enthusiasm make me a great fit for your team.

Throughout my academic journey, I have developed strong foundation in relevant technologies and frameworks, which I believe align well with the requirements of your company. I am particularly excited about the prospect of working with a team of professionals. Collaborating with experienced team would not only allow me to contribute effectively to your projects but also provide me with invaluable learning experiences that will shape my career.

I am keen to bring my technical expertise, fresh perspective, and strong desire to learn to your organization. Being part of a forward-thinking company like yours is something I am genuinely excited about, and I look forward to the opportunity to grow both personally and professionally within your team.

Thank you for considering my application, and I am hopeful for the chance to work together.

Sincerely,

*Tushar Sanisare*
